BUILT BEYOND.**

# BORN TAIWANESE. BUILT BEYOND.

台灣所生 世界所向

Taiwan gave the world bubble tea.  
**Boba Empire** is giving it everywhere else.

We believe the best ingredients don't stay in their lane — bubble tea belongs in the kitchen, on the plate, behind the bar, anywhere a great idea can take it.

台灣給了世界珍珠奶茶。  
**Boba Empire** 要把它帶到世界的每一個角落。

我們相信，真正好的食材，不應該有疆界。珍珠奶茶屬於廚房、屬於餐盤、屬於吧台——屬於任何一個好想法能帶它去的地方。

The story of bubble tea begins in Taiwan.  
We're making sure it never ends.

「珍珠奶茶的故事，從台灣開始，永不結束。」

We craft the essential ingredients that propel bubble tea beyond the cup — transforming it into a culinary staple that flows from kitchens to plates, transcending cultures and cuisines.

Our craft is rooted in precision; our vision is fueled by boundless possibility. In every market we touch and every partnership we forge, we are guided by a singular, unshakeable conviction.

我們打造引領珍珠奶茶突破杯裝疆界的原料——讓它走進廚房、登上餐盤，成為跨越文化與料理界限的靈魂。

我們對產品精益求精，對可能性的探索毫無設限。在我們踏入的每一個市場、建立的每一段夥伴關係背後，這份堅定的信念始終引領著我們前行。

## We Master Both Sides of the Cup

### 我們精通杯子的兩面

A great bubble tea starts with two things: the **right tea** and the **right milk**.

Most suppliers get one right. They source the other.

We are the only manufacturer in Taiwan with in-house expertise in both — our own tea production, our own creamer formulation, developed together by the same R&D team.

**This is why our bubble tea tastes different.  
This is why our clients stay.**

一杯好的珍珠奶茶，從兩件事開始：對的茶，和對的奶。  
大多數供應商做對其中一個，另一個靠外採。

我們是台灣唯一同時擁有自有茶葉生產與奶精配方研發能力的製造商——由同一個研發團隊，從源頭一起開發。

這就是為什麼我們的珍珠奶茶喝起來不一樣。  
這就是為什麼我們的客戶留下來。
